PARENTS' FEEDBACK

PS - II

Receiving positive feedback from our parent community is always great. We thank parents for their continued support. Your words of appreciation keep us motivated during these challenging times.

All six teachers (Ms. Renu, Ms. Jasneet, Ms. Shivani, Ms. Deepika, Ms. Sakshi and Ms. Anamika) of Section A are doing a wonderful job. Their level of involvement with all the students is highly commendable. Kudos to all! 2. The efforts they make in making sure each child is learning through each online session is impressive. 3. The activities (writing, yoga, art and craft, pre-summer break experiment of float and sink, Vanmahotsav etc.) conducted have been very engaging for the child. 4. My daughter, Ayesha, looks forward to the sessions and is able to grasp what is being conveyed via the online sessions. 5. The storytelling session with immersions on Zoom has been going on exceptionally well, Ayesha enjoys it a lot. 6. The icing on the cake is where the teachers spend hours in tirelessly organising Talent Hunt Activities, Book Character etc.
