July

FOOD

Cut some vegetables,
And put them in a pot.
Pour in the water,
You need quite a lot.
Stir in the butter,
And turn on the heat.
The healthy food is ready,
For everyone to eat.

PEOPLE AT WORK

If I were a baker, what would I do?
Bake lots of cookies, for me and you.
If I were a dentist, what would I do?
Check the tooth, that's good for you.
If I were a barber, what would I do?
Trim your hair, that's what I'll do.
If I were a teacher, what would I do?
Teach all that I know to you.
If I were a doctor, what would I do?
Care for you, because you are special too.

सावन

सावन आया उमड़-घुमड़ कर,
सावन छाया उमड़-घुमड़ कर ।
टिप -टिप, टिप-टिप कर बरसा पानी ,
देखो आई बरखा रानी ।
नाचा मोर, मेंढक टर्राए,
पत्ते चमके, फूल मुस्काए ।
सावन आया उमड़- घुमड़ कर,
गर्मी के दिन बाँय - बाँय ।

कोयल

'क' से कोयल काली - काली,
हमको गीत सुनाती है ।
अपनी मधुर वाणी से हमें,
रोज़ सुबह जगाती है ।
अच्छा बोलो, मीठा बोलो,
हमें सीख दे जाती है ।
'क' से कोयल काली-काली,
मीठे गीत सुनाती है ।
